**INFORMATION DISCLOSURE STATEMENT**

Assistant Commissioner for Patents  
Box PCT  
Washington, D.C. 20231

Sir:

In accordance with Applicants' duty of disclosure, submitted herewith is a copy of the International Search Report issued in connection with the above-identified International Patent Application, the U.S. National Stage of which is being entered on even date herewith. It is Applicants' understanding that, under the procedures of the PCT, copies of the cited publications have been supplied to the U.S. Patent Office by the International Bureau.

With respect to the British patent, GB-A-2329608A, which is cited and discussed on page 1 of the specification, this patent is a patent family member to the first document cited in the International Search Report, WO97/35716, and so an additional copy of this document is not being furnished herewith.

As all of the documents cited in the International Search Report and in the specification of the subject application are in English or contain English language abstracts, no further statement of relevancy is required by Applicants.

The Examiner is requested to review each of the documents cited in the International Search Report and make them of record in the subject application. A completed form PTO-1449 is attached for this purpose.

Respectfully submitted,

  
Charles R. Wolfe Jr.  
Attorney for Applicant
